Colonel A. W. Atterbury  
Pennsylvania Railroad  
Pittsburg, Pa.

Dear Sirs:

Through one of our members I am informed that you have an active interest in medals. Will you permit me to suggest that you consider an invitation to become a member of the American Numismatic Society. The brief folder accompanying describes our activities.

We usually issue at least two medals each year, and the subscription for these is limited to our membership and to that of affiliated Societies which might be interested in the particular medal being published. Furthermore, our publications, Numismatic Notes and Monographs, have an occasional number relating to medals.

We should be very glad to consider you one of our supporters; and irrespective whether you accept the above suggestion or not, we should be glad to welcome you at our Museum on any occasion that may be convenient to you.

Very respectfully yours,

SPN/E  
Enc.

Secretary
